DETAILED ACTION

Allowable Subject Matter

1. Claims 1-17 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Neither prior art of record nor references teach a lubrication system that is attached to and rotate with a rotary shaft wherein a bracket is formed by four separate semicircular shape portions adapted to be mounted on the rotary shaft, wherein first two semicircular portions are coplanar and disposed diametrically opposite to each other and secured to each other by clamp fittings, wherein last two semicircular portions are coplanar and disposed diametrically opposite to each other and secured to each other by clamp fittings, wherein the first two portions and the last two portions are spaced apart by spacer fittings, wherein each portions includes at least one automatic lubricator passage wherein a lubricator is disposed therein, and wherein a lubrication line extends from the lubricator to each of the rotary shaft bearings.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
